WDAA Horse Lifetime Performance & Award Program

WDAA supports a Lifetime Performance & Award Program. This is a point-tracking system awarding cumulative milestone achievements to horses competing in Western Dressage. Enrolled horses earn points by competing in tests and rail classes at WDAA recognized shows. Class placings and percentages are converted to a point system, which follows the horse as they travel up the levels on their journey.

The program was designed to be approachable and realistic for every horse and rider, regardless of their stage of training. The Lifetime Performance & Award Program follows the WDAA mission statement, values the partnership between horse and rider, and encourages a systematic education developing both the physical and mental abilities of the horse. The program does not require extensive travel nor significant financial investment; instead rewarding training, participation and performance. Points follow the horse and transfer to new owners.

The result is a record system celebrating attainable goals that further the relationship of horse and rider within the Western Dressage system. It's all about the Journey - from your first show, to your WDAA Register of Merit, to WDAA Supreme Champion. Get started by visiting our Lifetime Performance & Award Program page at: <http://www.wdaaworldshow.org/wdaa-horse-lifetime-points-and-awards-program/>

Competition Rules

- A. **Bridle Numbers:** All horses (competing and non-competing) must wear show numbers when out of stall.
- B. **Dogs:** Dogs are allowed on the grounds but must be on a leash or restrained at all times. They are not allowed near the show ring or warm-up ring. They must be quiet and mannerly.
- C. **Rain Plan:** If we experience light rain, warm-up will continue outside. Should rain become heavy or we experience lightening, we will allow the next 5 horses on the schedule to warm-up indoors for 15 minutes. Those horses will then ride their test. This will cause the show to run late. Listen to the announcer for updates on warm-up and ride times. If hauling in, please call Stacia for an update on the show schedule.
- D. **Helmets:** Anyone mounted on a horse must wear protective headgear. The changes to DR 120.5 which became effective on March 1, 2011, detail the headgear requirement and emphasizes that it applies at any time when mounted on the competition grounds.
- E. **Horses Not Competing:** Non-showing horses are allowed on the grounds if space is available. The owner must fill out an entry form and pay office, stall, and non-competing horse fees, but no USEF drug fee.
- F. **Sharps Containers:** Competition management shall place at least one sharps container in each stabling area for the disposal of needles and other disposable sharp instruments. Competition management may fine any individuals including trainers, owners, exhibitors or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. If local law has different requirements, local law prevails.
- G. **Other:** Every class offered herein which is covered by the rules and specifications of the current rules and of the current rulebook will be judged in accordance therewith.

Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee. BOD 1/17/15 Effective 12/1/15.
